# MEMO

Hi Division 6!

It's back-to-school season once again. I hope you have all had a good start to the school year and have started settling into your new schedules. Please read the newsletter carefully, since there are some new things this month.

-Arohi

# UPDATES

Remind – If you have not done so yet, please join the Remind for our division. The code for our group is @mikeydiv6, and to join, just text this code to 81010.

**Officer Training** – We were able to hold half of OTC earlier this month. However, due to weather issues and power outages, the rest has had to be postponed. I am still working on creating a schedule for that, and information should be out shortly. Thank you for your patience.

Meeting with clubs – I am planning on arranging a meeting with each of your clubs at some point in this service year, so please send me an email with information on when and how often your club meets up if you have not already. This will help me in terms of organization!

**Google Classroom** – I have created a Google Classroom for our Division this service year. Please join with the code 4uvzd3m and complete the assignments regarding your position.

# REPORT FORMS

Election Report Forms (ERFs) - All club secretaries, please work on getting your ERFs in! You should fill these out as soon as your elections are over so that we can get the information ASAP. The final due date for these forms is **October 1**.

Monthly Report Forms (MRFs) - The August MRFs also need to be filled out by all club secretaries, and these forms are due on the first of every month.

Treasurer Report Forms (TRFs) - All club treasurers, be sure to turn in your August TRFs if you have not done so. These forms are also due on the first of every month.

# WHAT HAVE I BEEN DOING?

This past month, we held our Summer Board meeting! Board members

got the opportunity to discuss our progress, district events, Fall Rally, and SLC, and even met our International Trustee, Cheyenne. It was an amazing, successful weekend.

As mentioned, I have also created a Google Classroom for our Division. This will be vital, especially as, during the school year, things get busier and it's harder to keep track of things. I hope this helps!

# APPLICATIONS

There are still some open spots on the Michigan District Board for Key Club! If you are interested in applying, go to [mikeyclub.org/applications](http://mikeyclub.org/applications) for access to the required forms. A general outline of the jobs available will also be provided there. If you want to apply and need any help in the process, please let me know, and I would be happy to assist.

The positions currently open are:  
International Partners Chair,  
Lieutenant Governor (LTG) for Division 1, and District Bulletin Editor.

# SERVICE PROJECTS

There are currently two upcoming service projects involving the clubs in Division 6: a District-wide Bike-a-Thon, and our year-long Division 6 FreeRice competition.

For the FreeRice event, be sure to join the Division 6 FreeRice group with the code **SZ6QUCEE** if you haven't yet. We will compete throughout this service year to see who can donate the most grains of rice.

Information pertaining to the Bike-a-Thon is on the next page!

## **BIKE-A-THON DISTRICT EVENT THIS SPRING-SUMMER!**

### What is the bike-a-thon?

Cyclists bike a course outdoors collecting at least 3 pledges from sponsor per completed mile. All the proceeds will be donated to a cause such as Greenpeace!

### How to get your club involved?

Email [treasurer@mikeyclub.org](mailto:treasurer@mikeyclub.org) to show that you would like to work with the district level on marketing and logistics! (There will be a zoom meeting at the end of April to discuss logistics!)

# CLUB OF THE MONTH

## Lapeer Key Club

Lapeer Key Club has been doing an amazing job with planning service projects, attending OTC, and getting their club started for the school year. Great job!

# DISTRICT WEBSITE NEWS

Be sure to check out the District website under the "Publications" tab. Our awesome District Bulletin Editor, Aiko, has worked super hard to create a Summer Edition of the Wolverine

Key, our District publication. There are also a bunch of Committee Kits created by members of the Board, myself

included, that are super interesting and useful. Be sure to check all of these out.

# CONTACT INFO

How many times  
did you see me?

Please don't hesitate  
to contact me for  
anything you need,  
or even just to chat.
