PERSONAL MESSAGE

Hello everyone! I can't believe that Fall Rally is coming in about two weeks! I hope you have been advertising it to your fellow Key Clubbers. If you haven't, please advertise it now! We would love to have more Key Clubbers attend the Fall Rally!

In the past month, the Michigan District Board met at St. Joesph High School for the Fall Board! We discussed our plans for Fall Rally and many other things. I also hosted my OTC on October 15th! Thank you for those who attended. It was really really fun. I have sent out an email with all the training materials. Please let me know if the link doesn't work. :)

I am planning to host a divisional event where Key Clubbers in my division get to meet each other. Please let me know if you have any service event ideas or fun activities!

PARTNER SPOTLIGHT

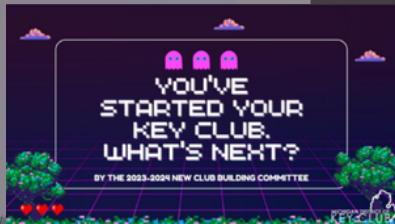

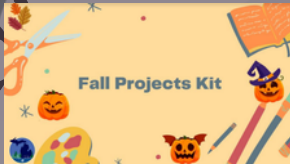

With college application season underway, it's always helpful to have some extra support with your application process. Key Club's partner, Collegewise, is the perfect resource for this!

Collegewise helps identify the college that's right for you, assists with applications, and provides tutoring for ACT/SAT exams. While a paid subscription is available for those who wish to access it, every Key Club members has access to a suite of Collegewise resources on the Runway platform as a member benefit.

KITS

Our District Committee Chairs created the following kits. They are additional resources to the training materials that you have access to.

TRICK-OR-TREAT FOR UNICEF

Ready for some spooky fundraising Key Club? This October Key Club International is fundraising for UNICEF's Start Strong Zambia program through the Trick-or-Treat for UNICEF campaign. Your clubs fundraisers will contribute to building innovative community centers called Insakas with spaces for children to learn and play, a community kitchen, playground, water and sanitation facilities and a vegetable garden; training community-based volunteers, health care providers and teachers to work with parents to create nurturing and stimulating environments for young children; providing age-appropriate toys such as blocks, stringing beads and books to encourage development and strengthen bonds between parents and children. These funds are vital to developing children who need these essentials for brain development and growth. If you are interested in learning more, contact your District's UNICEF Champion or read more at keyclub.org. The Key Club International Instagram account will be posting fundraiser ideas throughout the month of October to give your clubs inspiration so keep a lookout for some Halloween-themed fundraising ideas! A couple of starter ideas can be found on the website as well! Let's get fundraising Key Club! Happy Halloween!

FORMS

Monthly Report Forms

MRFs are the forms that club secretaries need to fill out.

In these forms, secretaries should explain their clubs' recent events and progress for the month. The deadline is the first of every month.

Election Report Form

ERF provides information about the results from this year's elections and about new board members. It only needs to be filled out once. These forms are essential for

District Board to maintain communication with the school Key Clubs. Clubs that already held the election before school ended were expected to complete the form by then. If your club has not conducted the election, please have new club secretaries fill out the form as soon as the election is held. The second deadline was October 15th, but please fill it out if your club hasn't yet.

Treasurer Report Form

Club treasurers need to fill out the Treasurer Report Forms (TRF) by the first of every month. This should be about the financial standing of the club. The October TRF is due on November 1st.

As a reminder, each Key Clubber must pay \$14 in dues for the service year.

Dues will be due November 1st for the Early Bird Deadline, meaning that if your club pays your dues by then, you will receive the Early Bird Dues patch at SLC 2024. The regular deadline for dues, however, is December 1st.

For more information on dues, including instructions on how to pay them, you can refer to our district Treasurer Aswathy Abraham's Membership Dues Guide, which is linked [here](#).
