MICHIGAN DISTRICT OF KEY CLUB

INTRODUCTION

Hello Division 8! I am grateful to have the opportunity to serve as your lieutenant governor for the 2023-2024 service year, I have 3 main goals for our division this year. I want to spread key club across our division, reactivate clubs that are inactive, and help individual schools to increase membership. Outside of Key Club, You can find me playing tennis, running track, cooking, or helping out around the school. I am also very involved in DECA, another student organization. I can't wait to work with all of our Mighty Michigan Key Clubbers in fulfilling my duty to help out our community!

YOUTH OPPORTUNITIES FUND

The Youth Opportunities Fund (YOF) grant is available for Key Clubs in good standing to apply for support with a service project. A Key Club in good standing means that the club's yearly dues must be paid before you can qualify to receive a grant from the Kiwanis Children's Fund.

Your project must meet all of the following requirements in order to qualify for a grant:

1. Have Key Club member engagement

2. Fill a need within your community. Determine that need by completing a community needs assessment.

3. Support activities within at least one Children's Fund cause area: health, education or youth leadership development.

4. Spend the grant money within 12 months of when the grant was awarded.

Although the second funding cycle is not currently open, we will notify
you when it is later in the year, and will tell you how you can apply! For

now, you can find more information about YOF here.
