Introduction!

Hello everyone!

My name is Shriya Kethireddy, and I am your district treasurer! Before this position, I was the Okemos Key Club treasurer, and I look forward to serving you all!

Besides participating in key club at school, I enjoy running and debating. In my free time, I love to read and make puzzles, especially puzzles with beautiful sky lines!

I hope to make this service year the best it can be, so, as your district treasurer, I want to **improve the connection we have between district and local key clubs**. I plan on sending out check-in/response emails to your TRFs just to get a deeper understanding of how you and your clubs are doing. In addition, I hope to work with you all on making district fundraisers happen and be successful on the local level by planning the marketing and technical aspects of them.

Treasurer Transition

Congratulations to all of the newly elected treasurers as well as the treasurers who have finished their term this year! In order to get to know each other better and also talk about plans for next year, I will be setting up a **zoom treasurer meeting in June** to discuss those things as well as to have fun and play games on a website called Backyard!

As newly elected treasurer, please do the following things, so we can have clear communication through out the year: **join the remind and join the google classroom**(links on reminder page).

If you are still wondering what your duties entail, go to the tips and tricks page on the Michigan Key Club website linked here. You can always text or DM through instagram if you need any advise as well!

BIKE-A-THON DISTRICT EVENT THIS SPRING-SUMMER!

What is the bike-a-thon?

Cyclists bike a course outdoors collecting at least 3 pledges from sponsor per completed mile. All the proceeds will be donated to a cause such as Greenpeace!

How to get your club involved?

Email treasurer@mikeyclub.org to show that you would like to work with the district level on marketing and logistics! (There will be a zoom meeting at the end of April to discuss logistics!)

Fundraiser of the Month: Website Fundraiser

Send me pictures of your club's participating to get your club displayed on the instagram!

Although your clubs won't directly get the funds, it is still a great idea to use websites such as **FreeRice, Answer4Earth, FreeKibble, and The Hunger Site!** You can do this at the beginnings of your meetings for 5 minutes or create a FreeRice Tournament to see who can get as much grains of rice as possible in a short interval of time. Not only is it easy to do, but it can go a long ways for many people in need.
