Introduction

Hi Guys! My name is Michelle Xia, and I am currently a junior at St. Francis High School. I am looking forward to be serving as your new, 2021-2022, Division 2 Lieutenant Governor! Some of my goals this year are to make sure that the schools within division 2 are up to date on the latest scoop from Key Club, and also to increase the amount of participation and contribution of clubs. Please do not hesitate to reach out if you have any questions or comments, I am glad to be at your service!

Governor's Letter

Hello Mighty Michigan Key Clubbers,

My name is Prabhleen Pawar and I am currently an 11th grader at Haslett High School. I am the immediate past lieutenant governor of Division 7.

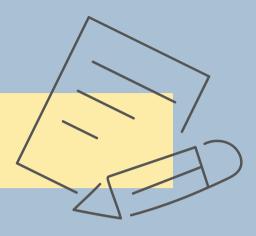

I am eager to start serving you all and helping your clubs get back to safe in person activities. I am still committed to my goals that I proposed at SLC. These goals will allow us to become a stronger club. I know that many people are very busy especially with school and going to in person school, but please keep up with LTGs and your club. Also many have raised concerns in the past service year that they don't know many service projects. I have provided below if you would like to participate:

- Freerice is great one, because you play games and you are donating.
- Writing letters to essential workers like:
 - Teacher
 - First Responders

If you need anything please don't hesitate to ask!! Sincerely Prabhleen Pawar <u>Your District Governor 20</u>21-2022 **Page 02**
