

# UNICEF Champion Application

## HEY MIGHTY MICHIGAN KEY CLUBBERS!

Starting this year, Governors from every District have been given the opportunity to appoint a UNICEF Champion! What is a UNICEF Champion? The main job of this position is to serve as a liaison between the Michigan District and UNICEF. They will carry out their responsibilities alongside Champions from each District. Please read the following page to learn of all responsibilities the position entails. Also, please note, while the UNICEF Champion is appointed by the District Governor, **this position is NOT a part of the District Board**. If appointed to this position you will not be led by myself, but rather the leading champion chosen from International Board.

The UNICEF Champion application is **due April 27th**, so get them in on time! Email all applications to [governor@mikeyclub.org](mailto:governor@mikeyclub.org). Fill out your application carefully and thoroughly. The appointing of this position will be an unbiased process. However, only one person can be appointed, so I will make my decision based on who I believe to be the most qualified. Despite the outcome, please continue to partake in Key Club. I genuinely appreciate everything you do for Key Club International. Thank you all for your interest. If you have any questions, please text, call, or email me!

**SINCERELY YOURS IN SERVICE,**

CLARA BERRY · 2023-2024 GOVERNOR

GOVERNOR@MIKEYCLUB.ORG · (269)-338-5154
