Update

Hi Key Clubbers! I hope everyone has been doing well. This past month we had our Fall Board meeting where we planned for Fall Rally. Also, many of you attended my OTC on September 30th. Thank you to everyone who showed up and participated. For those of you who could not make it, it's okay. Adiva will be hosting her OTC soon and more information on that will be provided as the time comes up. Please make sure to go to the upcoming OTC for I will be there and it is required for you to attend as a board member. A couple members at my OTC did have an issue with joining their reminds, if you still have this issue try joining through another account. If that does not work contact me and we will try to figure it out. As always, if you have any questions, please feel free to ask!

Collegewise helps identify the college that's right for you, assists with applications, and provides tutoring for ACT/SAT exams. While a paid subscription is available for those who wish to access it, every Key Club member has access to a suite of Collegewise resources on the Runway platform as a member benefit.

Trick or Treat for UNICEF

Ready for some spooky fundraising Key Club? This October Key Club International is fundraising for UNICEF's Start Strong Zambia program through the Trick-or-Treat for UNICEF campaign. Your clubs fundraisers will contribute to building innovative community centers called Insakas with spaces for children to learn and play, a community kitchen, playground, water and sanitation facilities and a vegetable garden; training community-based volunteers, health care providers and teachers to work with parents to create nurturing and stimulating environments for young children; providing age-appropriate toys such as blocks, stringing beads and books to encourage development and strengthen bonds between parents and children. These funds are vital to developing children who need these essentials for brain development and growth. If you are interested in learning more, contact your District's UNICEF Champion or read more at keyclub.org. The Key Club International Instagram account will be posting fundraiser ideas throughout the month of October to give your clubs inspiration so keep a lookout for some Halloween-themed fundraising ideas! A couple of starter ideas can be found on the website as well! Let's get fundraising Key Club!
