# PERSONAL MESSAGE

Hello Division 15!

I hope you all are having a wonderful summer break so far. Throughout July and August, remember that you do not need to fill out MRFs and TRFs, but if your club is planning events or service projects, I still want to hear from you so I know what your club is up to!

Don't forget that our theme this year is Environmental Protection. I recently went to a climate rally on Belle Isle, and there were a lot of local environmental organizations looking for volunteers. If there is a similar event in your community, I highly recommend going as it's a great way to find local organizations that your Key Club can volunteer for.

Although you do not need to fill out regular club forms over the summer, make sure your club turns in an Election Report Form (ERF) as soon as possible. You can find that form [here](#).

I look forward to hearing from all of you about what you're planning this summer! Please reach out if you have any questions, concerns, or just want to chat.

# APPLICATIONS

We still have open LTG positions for districts 1, 2, 4, 5, 7, and 9! You do not need to live in a division to be the LTG for that division, so encourage anyone interested to apply. You can click on the image below or visit [our website](#) to access the application.

## Lieutenant Governor Application

### HEY MIGHTY MICHIGAN KEY CLUBBERS!

Thank you for your interest in a Lieutenant Governorship on the 2022-2023 district board. This position is going to require a lot of effort and dedication. However, in return you will make memories, friendships that will last for a lifetime, the ability to serve the district, and a humbling service-leadership role. Divisions **1, 2, 3, 4, 5, 6, 9, 10, 11, 14, and 15** are open to all high school students (excluding club officers) **in the pertinent division**. Holding a district board position offers you a fulfilling experience and an important role. In order for you to hold any one of these positions, you must be able to attend all district board meetings and events. These dates are found on the following pages, along with your duties. In addition, your duties may alter throughout the year, and the list given isn't fully extensive.

Applications are **due April 15th**, so get them in on time! Email all applications to [governor@mikeyclub.org](mailto:governor@mikeyclub.org). Fill out your application carefully and thoroughly. The appointing of LTGs is an unbiased process. Unfortunately, not everyone that will apply will get a position. Despite the outcome, please continue to partake in Key Club. I genuinely appreciate everything you do for Key Club International. Thank you all for your interest, and if you have any questions, please text, call, or email me!

**SINCERELY YOURS IN SERVICE,**

MARWA ABDEL-HAK · 2022-2023 GOVERNOR

# FUNDRAISING IDEAS

## Collect and Return Cans

Protect the environment while collecting money for your club! Many people don't want to return their own bottles, so advertise that your club is collecting them and people in your community will probably give them to you.

## Organize a Walk or Run

You can collect donations for participating in a walk-a-thon, 5K, or even a nature walk. This is a great way to encourage community involvement with your Key Club, and if you want to make it a competition, you can have fun prizes.

# SERVICE PROJECT IDEA

Planting a garden is a great way to serve your community, so here are some tips on how to make it as eco-friendly as possible.

## Plant Bee-Friendly and Butterfly-Friendly Flowers

Choose flowers that attract bees and butterflies! Gardens in city areas provide food and an area to rest for pollinators. Try butterfly milkweed, New England asters, or lanceleaf tickseed.

## Don't Plant the Same Thing as Last Year

Crop rotation is a great way to ensure you give soil time to restore the nutrients used up by last year's garden. You should also plant a variety of things in your garden to promote biodiversity.

# POTLUCK INFORMATION

To build connections between Key Clubbers in Division 15, I will be working with club officers to plan a Potluck this summer! This will be a division wide event, and anyone in Key Club is welcome to participate. We should start planning as soon as possible, so please fill out the survey to let me know when you are available for a zoom meeting to discuss ideas, locations, and dates.

**Please fill out this survey so I can get your input.**
