Update

I can't believe that summer is coming to an end.
The last couple have months have been crazy busy. I have just started swim season. I have been contacting Kiwanis about the possibility of starting new Key Clubs in Division 4.

I have been working on planning my OTC. It is going to be at Caledonia Lakeside Park on September 16th. We will go over what the service year will look like, training, district service projects, upcoming events, and district bonding.

I have made a remind for our division so that we can contact and connect more efficiently with all of the clubs. If you have not already please join the Division 4 remind. Click <u>HERE</u> to join.

Forms

ERF

If you have held your election for officers this year, please fill out your election report form. Click <u>here</u> to fill it out. The second deadline for ERFs is on October 15th

MRF

No MRF for the month of August

TRF

Every month all treasurers are required to fill out the form by the 1st of every month. This form is to help the board see where each club is at for their finances and club dues, etc.

Click <u>HERE</u> to fill out the TRF.

Summer Edition

Volume 08 | Issue 01

The Wolverine Key

The official publication of the Michigan District Key Club

Hello Mighty Michigan Key Clubbers,

I hope you all had an amazing summer and are gearing up for the new school year to start! This is going to be a fantastic year of service and I could not be more excited for it. I have had an incredible first half of my term gaining tons of new ideas from different trainings and conventions on how to better serve the Michigan District for the restof the year! After attending Governor training and speaking to many of my Governor colleagues, I've learned that most Districts now participate in a "Governor's Project" as opposed to a District project. The District project announced at SLC was "Diversity, Equity, and Inclusion". And while DEI is a priority of our District and KCI as a whole, it's not necessarily a service project. After much consideration, I have changed the Michigan District Project into the Governor's Project. I am so excited to finally be able to share with you the MIDKCI Governor's Project...

Key Club Serves Kids!

Through this project, I envision clubs continuing or starting service initiatives within their own school districts to serve younger kids. In middle school, Builder's Club helped me grow in my leadership confidence and learn to love serving. My hope is that this project will help kids, especially those without K-Kids/Builders Clubs, the same way Builders Club helped me: to see the benefits of Key Club and ensure a bright future for MIDKCI by exposing kids to Key Club early on. This project is going to guide our theme of service for the year. Throughout my year as Governor, I will share with you project ideas your club can participate in. And, sometime along the way, there will be a competition between divisions! I hope you all find joy in serving through the Governor's Project this year-- I can't wait to see all of the great service projects you come up with.

Yours in Caring Service,

Clara barry

Michigan District Governor

Kiwanis Youth Protection

YOUTH PROTECTION HELPLINE: 866-607-7233

Kiwanis has a set of youth protection guidelines in place so that all Kiwanians know how to protect the youth with whom they interact. Kiwanis follows the "ABCs" of youth protection: Access to high-quality training, Background checks, and Culture of Care. You can review the Kiwanis youth protection guidelines here if you have any questions. The youth protection helpline above is for any youth in crisis or if a Kiwanian feels that a student has been harmed

KCI Major Emphasis

or their well-being is at risk.

We know that all Key Clubs get the chance to pick and carry out their own service projects. However, it is not as well known that KCI asks for all clubs to use their projects as a way to participate in their major emphasis, which is "Children: Their Future, Our Focus." Please continue to keep our major emphasis in mind while planning service events!

KIC Partner Spotlight

The mission of Erika's Lighthouse is to make sure no young person feels alone in their depression. This nonprofit encourages good mental health and strives to break down the stigma surrounding mental health issues. Erika's Lighthouse is dedicated to creating a community of empathy and education and has resources and programs for students and educators, grades 4-12. Want to support this cause? From September 11th-16th, Key Club International and Erika's Lighthouse will be posting challenges and information about maintaining positive mental health and preventing suicide. Follow @keyclubint on Instagram to stay updated about these posts!

KIC Preferred Charities

Thirst Project is a youth organization that works to bring an end to the global water crisis by building freshwater wells in developing communities. The best way for members to engage with this partner is to raise funds or awareness for the initiative. Some fundraiser ideas that you can implement to support the Thirst Project include raffles, movie nights, and miracle minutes during school lunches or sporting events!

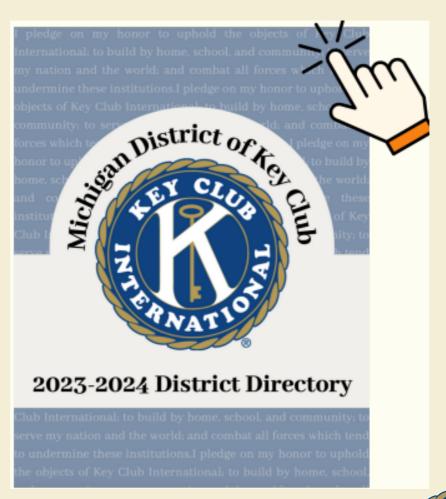

Key Club is continuing its long-standing partnership with UNICEF through the Start Strong: Zambia Initiative.

Members can help raise money to support UNICEF's efforts to provide educational materials to students and help build schools in Zambia. Your club can help fundraise for and support UNICEF with events like Trick or Treat for UNICEF!

Click on this link to learn more about this campaign or to learn about other fundraising ideas.

District Directory

The District Directory is a resource for club board members so they are able to find contact information for other club officers and advisors. This is help in case clubs are trying to work with other clubs.

Click Here

Monthly Fundrasiers

All treasurers are encouraged to host 1 fundraiser for this month. Please feel free to send me pictures of yourfundraisers to @mikeytreasurer on Instagram or email treasurer@mikeyclub.org to be featured on my Instagram! Every month, I will post a new set of fundraising ideas for your clubs. It is recommended for all treasurers to check this out for ideas!
