Run For Key Club Board!

President

As the president of your key club, you are in charge of generally running the club's affairs, attending meetings regularly, evaluating club meetings and club officers to make sure they are all doing their jobs, set goals for your term, monitor the club's progress, motivate members, stay organized, and when the time comes make sure to prepare next year's president for duties as your club's next chief officer.

Vice President

A well organized and properly operating Key Club should have a properly trained vice-president who is prepared to administer the Key Club in the absence of the president. To do this effectively, you must be in contact with the work and policies of the club. You are responsible as the president to make sure that the president's functions are executed properly. That means that you must know Key Club inside and out and the duties of each officer and member, and be able to lead your club with the other officer and members.

Treasurer

A Key Club can't operate without a responsible and honest treasurer. The treasurer is responsible for collect member dues in coordination with the secretary and forwarding dues to the International Office. They should prepare the club's budget, present it to the board for approval, and ensure that club activities adhere to the budget. They should also maintain accurate financial records throughout the year to be reviewed at any time by members, other officers, or administration.

Secretary

The office of the secretary is one of the most demanding in the Key Club organization because the secretary manages all of the club's records, files, and details. The secretary should take attendance at every meeting, turn in an MRF on the 10th of every month, and update roster forms based on dues collected. They are responsible for keeping a nice, clean, organized record of what your key club has done all year!

Editor

The editor is the advertiser, the communicator, and general publicity person of the club. The editor makes sure the club, and even the public, is informed of the service Key Club renders. The club editor works alongside the secretary to be an informed officer and to use the correct and necessary information for newsletters, fliers, bulletins, and other publicity pieces. Club editors have the responsibility of making Key Club known within their school and their community.

Webmaster

The webmaster works alongside the editor and secretary to promote their Key Clubs online. A webmaster's duties include creating a club website, maintaining accurate and up-to-date information on your club's website, share your club's activities on social media, helping recruit members by sharing your club's story through online outlets, and engage with members through web-based outlets.

Getting ERF's from each of your clubs is one of the most important tasks of the term.

An ERF is an election report form. It includes the results club elections and information about the new club board. ERF's from each school are essential for district board because we cannot communicate with clubs otherwise. Last term, ERF's were turned in very late, near January, and we didn't have any updated contacts. This term, I want your goal to be to get ERF's before the end of summer. ERF's are due on October 1st, so please complete collect your clubs' ERF's before then. Feel free to use this graphic I made a while back to the right to advertise elections, and send out the ERF form along with it when it's sent out.
