OFFICIAL NEWSLETTER OF DIVISION 2

BY CHIKANMA OKOISOR

Hi Key Clubbers! Fall Rally was amazing and I hope to meet more of you at SLC. This past month, I have been working on scheduling visits with you and your clubs and organizing a DCM to catch up on any needs you all have.

Outside of Key Club, participating in the TKS Hackathon on October 14 marked my inaugural foray into the world of hackathons, where my team and I, explored the intricate process of problem-solving and settled on the innovative idea of piezoelectric prosthetics. This experience underscored the importance of addressing impactful problems using technology and prioritizing comprehensive problem analysis before seeking solutions—a lesson that resonates in my ongoing academic pursuits.

Concurrently, in the realm of athletics, my recent dive meet showcased a significant breakthrough, marking my first competition in this relatively new sport and attaining the second position among exhibition divers. Simultaneously, the conclusion of my cross-country season, despite numerous challenges and setbacks, reinforced the importance of being present at the moment and highlighted the profound impact mindset has on both sports and life in general.

UPDATES FOR CLUB TREASURERS

BY DISTRICT TREASURER ASWATHY ABRAHAM

TREASURER REPORT FORMS ([TRES](#)):

Since school is starting back up again, TRFs will be required starting this month. These forms are to help our district Treasurer see where each club is at for their finances and club dues, etc. This is mandatory for all clubs.

All treasurers are highly encouraged to host 1 fundraiser for this month. Please feel free to send pictures of your fundraisers to @mikeytreasurer on Instagram or email treasurer@mikeyclub.org to be featured on Instagram! Every month, there will be a new set of fundraising ideas for your clubs. It is recommended that all treasurers check this out for ideas!

- Monthly Fundraising Ideas

The International Dues amendment at ICON did not pass, hence the dues for Key Club International will remain at \$7 for this service year. The Michigan District's dues are also \$7, so each Key Clubber must pay 14 dollars in total for their dues.

MAJOR EMPHASIS

FOR ALL KEY CLUBBERS

Major Emphasis is Key Club International's service theme, and this theme is "Children: Their Future, Our Focus." ME consists of all Key Club projects, special partnerships, and service initiatives designated by the KCI Board in keeping with the theme.

The Major Emphasis Award is given by Key Club International to a school whose Key Club produced the best ME service project in the year. If you and your club choose to apply for the award, you must submit a typed report on your ME service project as your application.

More information about ME can be found here (pages 58-59). If you plan to participate in the competition, DO NOT plan your project without reading and understanding the criteria.

Since school is out for the summer, now would be a good time to start thinking about and planning a potential ME project!
