Update About Me

Hello Everyone!!! I had so much fun at Fall Rally! We had so much fun organizing and carrying out the event with all those who showed up. Personally, I have been trying to keep up with all the upcoming quizzes and tests my school is throwing at us before Thanksgiving Break. Other than that, I have been spending time with my partner, friends, and pets. My partner and I watched the whole Harry Potter series!!! It's been my second time while it has been her thousandth time. When you have time please fill out the link I have given to your Key Club advisor! It would help me out a lot to get in contact with all of you given that your school has blocked my email; thus, you haven't been getting all the updates you should be getting. I hope your transition to your position was smooth, please feel free to reach out to me with any questions or concerns!

FALL RALLY UPDATE

The Michigan District of Key Club put in many hours to create an event where Key Clubbers from the Michigan District would enjoy, and I'm happy to say that it was a success. We are grateful that there was a lot of participation in the service projects - those who receive them are grateful for it too. Personally, I was happy to see interest in how to apply for a position in their own club and/or the district board. I love helping out as much as I can. Fall Rally couldn't happen with all our amazing members are we are so grateful that you dedicate your time to make other's lives a little bit better.

DUES

As a reminder, each Key Clubber must pay \$14 in dues for the service year. The Early Bird deadline for dues has passed, and the regular deadline is December 1st. If you need any help in figuring out how to submit your dues feel free to use this [Membership Dues Guide](#) that was created by your District Secretary, Aswathy Abraham. Once you have submitted them, please email the Awathy Abraham at trasurer@mikeyclub.org.

FUNDRAISING OPPORTUNITY

In alignment with the Governor's Project, "Key Club Serves Kids," this District Fundraiser has a noble purpose - to contribute the proceeds entirely to the Children's Foundation in support of the Pediatric Research Campaign. To accomplish this, we are encouraging clubs to work collectively in each division, striving to maximize their contributions to this charitable cause with a goal of \$1,500 in total. It is up to clubs to decide how they want to raise their money but just a reminder that Key Clubbers are competing against divisions to see which division can raise the most money to receive an award at SLC 2024.

To facilitate the donation process, clubs must make their contributions through her designated [fundraising_page](#). Additionally, it is essential that the club's name be clearly indicated in the donation under the Name section, so I am able to see which division is contributing.
